MBA Women’s Section thanks Wealdstone B.C. for hosting this day.

Changes to shared car parking facilities from 2016.

Harrow Council has introduced pay and display for general use. The general public, including Herga members and visitors, will get one free ticket per day allowing a 3 hour stay. The parking meters allow visitors to add to the 3 free hours at 80 pence per hour up to a maximum of 5 hours (8 hours total parking). The cash can be paid at the first visit. The pay and display remains in force for 24 hours weekdays and weekends. The private car park in front of the club will remain for the exclusive use of Herga members and visitors.
