

BRITISH ISLES WOMENS BOWLS CHAMPIONSHIPS

THE CAMBRIDGE PARK FOURS TEAM, WHO REPRESENTED ENGLAND IN THE CHAMPIONSHIPS

Ann, Jean, Nadine and Cathy headed off to Heathrow armed with England uniforms (including weatherproof jackets) which they were going to need, having seen the Belfast weather forecast!) They joined the other members of the England squad for the British Isles Championship.

In the Fours, England played Scotland in the Preliminary Round, emerging as worthy winners, 20 - 12. The Pairs and the Triples also won their opening games. Unfortunately, England lost their opening Singles and Senior Fours' matches at lunchtime.

Later in the afternoon, the Pairs and Triples teams won their matches putting them into the Finals on Saturday 16th June. The Fours had a good close fight against Jersey but lost 12 - 16. A great effort, especially as Jersey were all experienced international players. What an achievement for their CV's – Played for England and won a match! Not many bowlers anywhere in the country can claim that!

On Sunday, Ann, Jean, Nadine and Cathy returned home and can hold their heads up high. Well done Ann, Jean, Nadine & Cathy.
